

Brownbag: Upcoming Residential Weatherization Measure Changes

When: Thurs., March 26, 2015

Time: 12:00 – 1:00 p.m. PST

Presentation and Discussion:

Join BPA's Residential Program team for an informative Brownbag discussion on the upcoming changes to the Weatherization measures.

During their regular review process, the Regional Technical Forum (RTF) lowered the savings associated with most Residential Weatherization measures. BPA is planning to lower payments accordingly. The Brownbag will cover these changes plus efforts being made to support utility programs, and will offer a chance for customers to ask questions. Details about the changes will be available on the Residential Weatherization website on March 18th.
